

Caddington Longer than 10 years

*Caddington needs more green spaces
for children and leisure activities*

Caddington 5-10 years

Please leave our beautiful village alone

Caddington 5-10 years

*Cycle path from Caddington to Luton
is Vital, pavement in not safe*

Caddington Longer than 10 years

No flats unless they are only two story. No more school traffic to Caddington school. New road to Caddington school via Luton Road. Car parking in the village is a mess and needs sorting out. The crescent Caddington is too dangerous for school we are shared drive and have trouble coming in and out.

Caddington 5-10 years

*Can do more on heritage and history
of villages as are filled with
archeological history*

Caddington Longer than 10 years

*Improvements in playground
equipment in existing childrens parks*

Caddington Longer than 10 years

why are allotments and leisure gardens included in area C6 as they are statutory allotments and a valuable/well used social facility for the village

Caddington Longer than 10 years

*Modernize play equipment at Elm Ave
play park (Manor Rd End)*

Caddington Longer than 10 years

consider walk/cycle way link to the new guided bus way. At the moment it is of no use to Caddington residence

Caddington Longer than 10 years

*Provide facilities for the ever
increasing older population such as
bowling green*

Caddington Longer than 10 years

*We definitely need better parking
facilities*

Caddington Longer than 10 years

*Ensure at all costs we retain our
village identity, we must not become
part of Luton*

Caddington 2-5 years

*Put lighting in Folly Lane at start of
bridle way, dangerous at night for
residents of Collinswood Park*

Caddington Longer than 10 years

*Preserve footpath on C8 linking back
of churchyard to the main woods*

Caddington 2-5 years

*Preserve rights of way (Row)
pathways and maintenance including
signage and maps of walks available*

Caddington Longer than 10 years

Footpaths around Five Oaks School becomes unusable in bad weather. How would you connect sports fields without closing more footpaths? there was a back gate but this has been closed when fenced

Caddington Under 2 years

There is a very good community spirit in Caddington. Existing facilities are very well supported which helps to maintain the unique village atmosphere. We have lived in the village for just under 2 years and already feel part of the village. We want this unique village to continue and develop

Caddington Longer than 10 years

*Consider a park area adjacent to
Caddington, adopt a field (local) or
liaise with local farmer*

Caddington Under 2 years

*Please leave Caddington as a village
and leave the greens*

Caddington 5-10 years

Definitely more bridle ways/ cycle routes but ensure motocross bikes are not allowed, anything that encourages people to exercise & go outdoors should be welcomed, why notm small nature reserves, ponds, seating to walk round/ cycle past, sit & picnic, where are childrens play areas, these can all mix in, state park, look at

*Harpenden park, swings, walkers,
joggers and keep fit together*

Caddington 2-5 years

*Produce a quarterly parish magazine
for Caddington similar to that
produced by Slip End & Redburn*

Caddington Longer than 10 years

*Keep as much green fields around
villages as possible*

Caddington Under 2 years

*Make roads more kind/friendly
through slowing down traffic
measures*

Caddington 5-10 years

With Caddington village school becoming more over subscribed I would have thought the 'decommissioning' of Heathfield school a mistake, why has it not been modernised and utilised for the children in the hatchment area, rather than proposing more social housing

Caddington Longer than 10 years

Are all the people merely wanting to establish new homes tourists that have never heard of Caddington until now, or are they actual Caddington people that have lived here all their lives, also I feel you need to do something about the drug dealing etc that goes on in Caddington

Caddington Longer than 10 years

*Please notice I have not ticked E26,
27, 28 my garden backs onto the
public footpath behind Fairgreen Rd,
these paths are used by dog walkers
who do not clean up dog mess, people
using the club come back drunk, kick
fences down, no for me shut the club
and educate people with dogs*

Caddington 5-10 years

We have a problem now parking in Caddington with 200-400 new homes etc this aspect must be considered

Caddington Longer than 10 years

I live in Mudile Home on Collingswood Park, I have nothing, I'm house bound, can not hardly walk, got no one to help me do things or go to the bank for money, I think something should be done about these , I'm 80 yrs old

Caddington 5-10 years

Improve play facilities for local children, better playgrounds with new, safe and updated apparatus

Caddington Longer than 10 years

*Better maintenance and upkeep of
paths and smaller local roads*

Caddington Longer than 10 years

*Make Caddington more easier without
using a car*

Caddington 5-10 years

Concern is size of school classes that have already increased significantly since merger to CVS and dangerous parking at school times, this will increase too

Slip End Longer than 10 years

*Footpath between lower woodside and
caravan park along side manor road*

Slip End Longer than 10 years

Why do people need a dog walking field we live in the countryside there is plenty of walking areas . people move to the country and want to bring town and city to our villages then let them stop in the towns and city where they feel happy.

Slip End 2-5 years

Mobile library to woodside reinstated

Slip End Longer than 10 years

Village warden to patrol village issue tickets for those that let their dogs foul on pavements. Ruins the village and walking anywhere. Put double yellow lines on corner of Frog and Rhubarb/ church road junction. Dangerous pulling out due to people who park right by the pub.

Slip End 5-10 years

*Ensure owners look after their garages
in St Andrews Close up end*

Slip End Under 2 years

Provide move dog poo bins

Slip End Longer than 10 years

*20 mph speed restrictions around all
school areas and through the centre of
Slip end*

Slip End Longer than 10 years

We live in Ross Way and we think the paving is absolutely dangerous for young and old alike.

Slip End Longer than 10 years

Residents choose villages to live in because they are surrounded by countryside. those wishing to live in a town and benefit from amenities on their doorstep should consider buying homes elsewhere

Slip End 5-10 years

*Possible improvement of swinss in Slip
End*

Slip End Longer than 10 years

*Keep the field behind Slip end school
as open space*

Slip End Longer than 10 years

Better car parking at Slip End

Slip End Longer than 10 years

*Yes what about Slip End! E23 Dog
Walkers. E26 Sports pitches for Slip
end*

Slip End 5-10 years

*Reduced rates for hall bookings/
sports facilities for local people. Make
it easier for local people to book hall if
required*

Slip End Longer than 10 years

*Footpath from halmoon land
pepperstock down to main road at
Luton hoo bus route 321*

Slip End Longer than 10 years

With the Slip End closure of the post office, a continuation of the footpath from the mobile home site at tipple hill in manor road to Elaine Gardens in woodside is a must, it is such a busy road and very dangerous for walking along

Slip End 5-10 years

*Don't know why you lot back at the
Council want us to spend our time
filling in this booklet. You will do what
you want because you can. You can
no matter of us*

Slip End Longer than 10 years

*Why can't the church be more visible
from road. Too many trees. This would
make the village have a more 'village'
look.*

Caddington 2-5 years

More places to eat out. more social places for teenagers/ children. Stop them hanging around shops

Caddington Under 2 years

*Caddington needs a child friendly
park. buses need to be more regular*

Caddington 5-10 years

*Leave it alone we don't want growth
here!*

How do you intend to enhance a public footpath? They are walkable at present with little or no complaints from users, or do they not know how to complain or who to complain to. Linkages across the parish need consideration- who uses these at present.

Caddington 5-10 years

*Retain dog walking behind mancroft
road*

Caddington Longer than 10 years

*A safe cycle/path to Manshead and
cycle path away from Luton road to
stockwood park*

Caddington Longer than 10 years

An area of green space on Farmer Heathfield site would allow for open air village fetes and functions around the 'new hall'. Traffic passing through could see and maybe stop. An area for large car parking for school.

Caddington Longer than 10 years

Elm Ave park does not really have a lot to offer, could do with a slid and a mini round about to play on. Fence it off away from dogs

Caddington Longer than 10 years

Please do not extend the village in where appropriate. Make sure every age group is catered for (busses, shopping, packed for for one instead of family packs)

Caddington Longer than 10 years

*Enhance and retain childrens play
grounds*

Caddington Longer than 10 years

Litter needs to be dealt with

Caddington Under 2 years

*there needs to be more car parking
paces at the shops in Caddington.
Perhaps using a small part of the
green next to where car parking
spaces opposite shops*

Caddington Longer than 10 years

E26- what about sports outside of football. E27-E28- Red tape" not real action. E32- nice to have- far more basic needs first please.

Caddington Longer than 10 years

*more support for wildlife, birds, foxes,
owls.*

Caddington Longer than 10 years

*Makes sure you have water, gas and
electricity in place before you start to
build*

Caddington Longer than 10 years

Re open the footpath between schools as route around five oaks is now hazardous after rain due to number of walkers. How can e26 be achieved without further footpath closure?

Caddington Longer than 10 years

I would like to see Heathfield buildings maintained in their present guise. I cannot see the point of building new halls. I feel the original buildings are very adequate to fulfil the village needs. They need to be better promoted and the billing system made much easier

Caddington 2-5 years

slow the traffic in dunstable road

Caddington Longer than 10 years

*No extra facilities for the children have
been mentioned eg youth club*

Caddington Longer than 10 years

Improve facilities (possibly by centralising them to make money go further) for the children, including teenagers to play safely within the village

Caddington Under 2 years

*Protection of the agriculture land that
separates the villages of Caddington/
Slip End*

Caddington Longer than 10 years

*I think safe and better equipped
childrens playgrounds are needed in
Caddington. the field at Heathfield
school site is one option an all
enclosed site on the village green*

Caddington Longer than 10 years

We want less urbanisation. We came here because it was a village all this will cost money and make it less desirable place to live. No one can afford to move and it's making the village very undesirable with all this urbanisation

Caddington 5-10 years

Maintain the green belt, and as much open green space as possible without spoiling it by building new houses

Caddington Longer than 10 years

Protect local wildlife, encourage schools and local community to care for the villages and create more local events such as farmers markets, Christmas fairs etc

Caddington Longer than 10 years

Make sure regulations re noise pollution, dog mess and youngsters gathering outside the shopping areas are adhered to

Caddington Longer than 10 years

E26 & E27 only if need arises

Caddington 5-10 years

Definitely no building on C9, C8 and C7 on map supplied, enforce dog fouling, better street rubbish clearing and graffiti removal to improve looks, appeal for all

Caddington 2-5 years

Sort out the pot holes in the road

Caddington 2-5 years

Chaul End Road needs widening, very dangerous road, pot holes need doing on all roads out of Caddington village

Caddington 5-10 years

*Keep us as a village, it's the reason
most of us live here*

Caddington Under 2 years

I come from a small town that was a village in Kent, a lot of housing was built, which was good & in keeping with the area, but to local facilities were not upgraded,, especially the local secondary school was closed, no secondary school in the area

Caddington 5-10 years

*Preserve woodland around Chaul End
village*

Caddington Longer than 10 years

If you link sports pitches and playing fields to Caddington school, do not cut off access to Heath Wood

Caddington Longer than 10 years

The village of Caddington is struggling to cope with traffic in the area of the green near shops and main road through the village now and would need drastic measures if a further 400 homes were developed

Caddington Longer than 10 years

*Consider pathway cycle path
Caddington - Manshead*

Caddington Longer than 10 years

*20 mph speed limit throughout
Caddington & Slip End, ? on all
entrances to Caddington , such as the
one on Manor Road by the social club,
complete the footpath along Manor
Road to Woodside*

Caddington Longer than 10 years

Cycleways to Luton and Dunstable

Caddington Longer than 10 years

Better lighting in alleyways/bridle paths, playground with equipment for toddlers in Caddington needed, only have 2 baby swings in Edgecote, slide is too big and frame eroding, dangerous for little ones, little ones have been forgotten, Slip End had a good one, Caddington needs this as has many young families

Caddington Longer than 10 years

The dog walkers field is a habitat for frogs, currently most hollows where frogs spawn dry out before tadpoles grow into young frogs, possibly line 2 of the hollows so they do not dry out so tadpoles can reach maturity and keep adult frog numbers up

Caddington Longer than 10 years

Do some serious work on pavements to make them level and even to allow easier wheelchair pushing and mobility scooter use, some paths tip towards the road at 30 degrees

Caddington Longer than 10 years

*5 a side pitches, skate
board/mountain bike facility additions*

Caddington 5-10 years

A play park with some up to date equipment would be good, our parks at the present time are a real let down

Slip End 5-10 years

*Both villages need more parking areas
to avoid future accidents*

Slip End Longer than 10 years

*the facilities as they already exist
seem adequate*

5-10 years

*Footpath from woodside to Caddington
Village needed to link up villages*

Slip End Longer than 10 years

*Improve pathways so that pedestrians
do not have to walk on the road*

Slip End Longer than 10 years

*The childrens playground in slip end
need some modernising and more
equipment*

Slip End Longer than 10 years

*As dog walkers we support all efforts
to improve there leisure facilities. How
about a gym?*

*E23-Who owns the dog walking field?
and who clears up the dog mess? E25-
Is there not enough arrangement
discussion about closure of present
allotments? where are they to be
sited?E28- Surely its possible to make
a booking without a committee? E29-
who is going to pay for this and the
upkeep? E30- there is no provision for*

*cyclists at present so where is it
proposed to site these routes? would
they be for recreation or work related?*

Caddington Under 2 years

I may add that I believe you aren't interested in my opinions or worries. This is us a tick box operation, you will do as you please and greed will ruin such a nice area

Caddington Longer than 10 years

Historically the current allotment site should be retained and fully utilised before additional allotment sites are designed

Caddington Longer than 10 years

Open spaces and countryside views/feel is essential in both developments due to being rural villages. We do not want to over populate or over develop our local communities, however we do feel that there is room for property numbers to increase mainly sections C10,8 part of C9,4,7

Caddington Longer than 10 years

It would be great if the open space on the former Heathfield site could be made into a large park with space for football, a fenced area for swings etc and tennis courts and a skateboard/bmx area. there could even be a track around edge for running, possibly with exercise stations, like at Willen Lake. This and

*the tennis courts would encourage
people of all ages to keep fit*

Caddington Under 2 years

I am a keen walker and would love for there to be a map or footpaths/bridle ways for people to use, and for them to be maintained as we have some lovely wooded areas in Caddington. Also it would be nice to know about any fitness classes or activities being done in Collingswell Hall

Caddington 5-10 years

Swimming and a sports centre(not just playing pitches) are urgently needed. and additional shops too, village must also have integrated public transport especially with links to trains like Luton Central, Luton Parkway and Harpenden Train stations. all developments must be family

*orientated and always involve village
and locals*

Caddington Longer than 10 years

*no allotment gardens should be built
on they should be increased*

Caddington 5-10 years

Ref to C17- I would consider traffic calming very important on dubstable road and increased on Chaul End Road, the village is very much a cut through for residents in Luton and Dunstable

Caddington Longer than 10 years

Access Road to school on C7. Pelican crossing near little green lane for crosslands children to walk to school. A park in Heathfield. Play areas and green space in Chaulington

Caddington 5-10 years

*Improve traffic congestion into and out
of Caddington*

Caddington 5-10 years

Encourage a dental practice, Chinese restaurant, launderette and improvement to interior & exterior of local pubs making them more user friendly

Caddington Longer than 10 years

*More effort to prevent dog fouling on
footpaths, more effort to prevent litter*

Caddington Longer than 10 years

Make sure there is regular maintenance of all footpaths, alleyways etc i.e. weed clearance etc

Caddington Longer than 10 years

Don't try to move allotments

Caddington 5-10 years

*A later bus to Luton has got to benefit
as workers such as myself don't finish
work until town shopping centre
closes, last bus 5:40*

Caddington Longer than 10 years

*Shop people parking their cars on
footpath and grass verges*

Caddington Longer than 10 years

*Heathfield school for leisure facilities
and entertainment*

Caddington Longer than 10 years

*Don't develop green spaces, leave
them as they are*

Caddington 2-5 years

*A small library facility would be
welcome*

Caddington 5-10 years

A decent pub for families, the 2 existing pubs are frankly unpleasant (bad language, rubbish food, poor atmosphere)

Caddington 2-5 years

*Would still like Caddington & Slip End
to maintain village type community*

Caddington 5-10 years

*Try to do something from Cricketers
public house up to the shops with
regard to parking because sometimes
it gets absolutely blocked*

Caddington Longer than 10 years

Enhance village parks, use the green on a more regular basis, the elderly are catered for, the young are catered for, what about people in between

Caddington Longer than 10 years

*Re linking bridleways & enhancing
footpaths, how will off-road
motorbikes be kept off these?
Dedicated cycleways have a bad
reputation in Milton Keynes*

Caddington Longer than 10 years

Plant some more spring bulbs on the village green and make sure the contractors who cut the grass don't mow them down until the end of June so they flower again the following year (at moment already mown them flat) the green & area around the shops is looking much better, well done everyone

Caddington Longer than 10 years

Reduce height of those trees that prevent the church tower being easily visible from the green (not the ancient yew)

Caddington Longer than 10 years

*Better children's playground/ park
equipment*

Caddington Longer than 10 years

Housing for young families would be most appropriate nearest the school in Caddington, Slip End should also retain its school so possibly more of the housing for young families could be on the Slip End site to ensure the survival of the village school

Slip End Longer than 10 years

*A bowls green would be a useful
addition for the villages*

Slip End Longer than 10 years

*Improve children's play area in Slip
End*

Slip End Under 2 years

Refurbish (or rebuild) the hall at the junction of Half Moon Lane and front street for possible use for indoor sports, badminton, five a side, basketball, keep fit, yoga etc and other local interests that would be through private funding

Slip End Longer than 10 years

*Maintaining footbaths to width they
should be*

Slip End Longer than 10 years

*Speed limit between Caddington hall
old peoples home and Slip End in
between the 30mph and Slip end
village this part of Luton road is a
motorcycle race track*

Slip End Longer than 10 years

*More tree planting in the area and
more hedges too*

Slip End Longer than 10 years

CCTV

Slip End Longer than 10 years

*Thank you to all our hard working
councillors. we are lucky to have such
a hard working group. Well done and
good luck*

Slip End Longer than 10 years

*Nice to walk around the open fields
and woods don't need to look at new
houses why not stick some on
stockwood park. Green belt and
farmland needs looking after
otherwise the country will be just one
big dead town, think on!*

5-10 years

More dog waste bins

Slip End Longer than 10 years

*maintain village feel, including fields
in both Caddington and Slip end
suitable for dog walking. not to make
areas look too built up or town like*

Slip End Longer than 10 years

*If immigration to uk from eu and rest
of world was restricted there would be
no need for housing needs as
predicted*

Slip End 5-10 years

*To extend the pathway from the M1
bridge to the Harpenden Rd. the 1081.
To access transport to St Albans*

Slip End 5-10 years

*Provide pavements/ paths/ cycle paths
on routes out of Slip End towards
Harpenden as currently it is
impossible to walk down to the A1081
as you are very exposed as a
pedestrian*

Slip End Longer than 10 years

*Warning signs for farm entrances ie
tractors etc also old people crossing
busy woodside rd as no speed limit
from lower woodside ie the Harrow to
houses past the plough*

Slip End Longer than 10 years

Better lighting along Grove rd

Slip End Longer than 10 years

Clearly mark parkway site for airport customers. Many times, especially late night people get lost and have to be taken there. Sign posting similar to the park and ride signs on the main roads, M1 included

Slip End Longer than 10 years

*Improve equipment in park at Slip End
for the children*

Slip End Longer than 10 years

Work with LEA/ SELS to make the surrounding pool available for community use (assuming it is not about to be closed)

Slip End Longer than 10 years

Ensure sufficient sports fields and facilities for children to play sport (namely football) away from residential roads

Slip End Longer than 10 years

*Protect green open spaces and
encourage natural wildlife*

Slip End Longer than 10 years

The money earmarked for traffic calming would be better spent on paths from Slip to Caddington on all roads & Slip End to the 1081 & to Luton, no matter how slow you go the 'humps' in the roads are detrimental to the spine for the young and old alike

Slip End Longer than 10 years

A pedestrian path from Slip End to Mancroft Rod/Woodside Eggs would be useful to many people

Slip End Longer than 10 years

*Really need footpaths in Wooside to
Caddington and from Manor Road to
Mancroft Road, very dangerous for
children*

Slip End 5-10 years

*Enhance footpaths linking parish's to
Luton, foot bridge joining Slip End to
Shock Wood Park*

Slip End Longer than 10 years

*Double yellow lines on the corners of
our roads in Slip End, particularly
Summer St, and enforce them*

Slip End 2-5 years

*Stop outsiders parking for the airport
and hence causing parking problems
for residents*

Slip End Longer than 10 years

Footpaths between Woodside and Caddington

Slip End Longer than 10 years

The closure of footpath between Five Oaks and Willowfield schools restricts access between Caddington and Slip End and should not have happened

Slip End Longer than 10 years

*Put a pathway on double dips
towards Woodside Animal Farm*

Caddington Longer than 10 years

*More shops (1 space for shops)
childcare facilities (1 space/facilities
for same)*

Caddington Longer than 10 years

*Provide a purpose build access road
using the land C7 on your map, to
facilitate safer drop off and pick up to
Caddington village school*

Caddington Longer than 10 years

*Retain Heathfield school as
community centre with facilities for
library, dentist etc and the attractive
grounds to the front as adult/quiet
garden/park*

Caddington Longer than 10 years

To widen or make one way Mancroft Road to eliminate the single lane due to cars parking, there is room to widen the road for parking cars

Caddington Longer than 10 years

*Erect a maypole on the village green
for country dancing, construct a pond
in the green, we need a new garden
centre*

Caddington 5-10 years

Protect the children's play areas in Caddington (both off Elm Ave) from dog access, there are often dog messes on the grass which is a real danger to young children

Caddington 5-10 years

It is vital as a villager's point of view that green space is kept, that is why many of us chose to live in the village and not in towns, hamlets etc

Caddington Longer than 10 years

*Need to maintain used surfaces so we
can use our bicycles safely*

Caddington Longer than 10 years

Dog litter bins

Caddington Under 2 years

*Safe and well equipped play area for
toddlers/ parents/ grandparents to
take under 5yr old children*

Caddington Longer than 10 years

Improved children's play areas, if many additional family houses are built, the children will need school and recreational facilities, if Heathfield site is re-developed, where will these needs be met

Caddington 2-5 years

*More cultivated open green spaces.
Improve the pond/ seating/ grounds
around the pond on Little Green Lane*

Caddington Longer than 10 years

Improved playground facilities for older children (ages 8-12). the amenities in the parks behind elmave shops and between Elm Ave and Edgescote close could have some more equipment

Caddington 5-10 years

*Protect the boundaries of the villages
so they don't become an enormous
blob of houses*

Caddington Longer than 10 years

As long as not just football pitches, ensure tennis courts and netball courts are included as there are girls in Caddington who are not catered for! Bike park with jumps etc for all to use. Improve park/playground facilities for children as very lacking. Static courts with nets / goal posts free for all to use.

Longer than 10 years

*Clean overgrown footpaths, woodside
to Slip End, woodside to Caddington*

Develop wild life sites in areas such as Allotment gardens (largely disused) off wood side road which already has its own wildlife population

Longer than 10 years

*Activities for the younger people
needed!*

Longer than 10 years

Don't like the description dog walking field- it should be retained as "free access" land. The current allotments should be preserved and maintained. The old school is a good community building and should be more utilised, retained and possibly enhanced. the facility must not be lost so that the land can be built on

Longer than 10 years

*I think we must preserve Caddington
the way it is A VILLAGE and not let
the government for use to concrete
over englands green and pleasant
land*

Caddington Longer than 10 years

*Small super market similar to the co-
op in Caddington for Slip End with
sufficient parking*
