Dear resident

We are again seeking your views on aspects of our developing Neighbourhood Plan before we publish a draft plan for further consultation.

The Neighbourhood Plan Steering Group has refreshed the vision & objectives and applied the criteria which we consulted you on in 2014 to the long-list of potential sites. We would like to know what you think about the short-list of potential sites & if you have any comments to make.

The full list of sites is available on the website at www.caddse.blogspot.co.uk

*Once the Neighbourhood Plan is prepared in draft form it will be presented to both Caddington & Slip End Parish Councils who will consult on the plan for a period of 6 weeks before submitting it to Central Bedfordshire for examination. Once this check has taken place the plan will be subject to a full referendum across the two Parishes - **you** will have the final say on the plan.*

Once the plan has passed all its various hurdles it will become the planning guidance document for the area which will carry considerable weight in any future planning application & does provide a high level of protection against opportunistic developers

Question 1 - do you agree with the approach taken by the Neighbourhood Plan towards long-term & sustainable development which is designed to protect & enhance the rural nature of the 2 Parishes?
